

British Values in RE at Bisley Blue Coat C of E Primary School

Rule of Law

In RE, children learn about the different rules followed by different faiths and why they are important. They learn about the importance of equality for all citizens before the law.

Individual Liberty

In RE, children are encouraged to make choices, knowing they are in a safe and secure environment. Children learn that whatever their religion, faith or belief they have the right to be listened to, free from stereotypes and the constraints of others.

Democracy

In RE, children explore the beliefs of others and the differences this makes to the way they live. They use this knowledge to handle questions raised by religion and beliefs. Children have a right to form their own decisions, respecting the views of their fellow pupils. They are encouraged to have the confidence to express their views and opinions regarding religious issues.

Tolerance of others with different faiths and beliefs

In RE children celebrate diversity and different religions, cultures and beliefs. They learn about identity and belonging with regard to faith and religion. They show respect to the views of others.

Mutual Respect

Children learn about the main religions and are taught to respect different cultures, beliefs and traditions. Mutual respect is taught and given when children are expressing their views and beliefs.
